Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 15 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mild and breezy with showers for Tuesday.

This Evening and Tonight:
Dry and largely cloudy evening across the region with some clear spells. Then a wet night with outbreaks of rain, occasionally heavy arriving from the southwest. Breezy, but much milder. Minimum temperature 7 deg C (45 deg F).

Tuesday:
A dull start across the region, soon clearing for a largely dry and bright period. Scattered showers during the evening for the northern areas, easing overnight. Rather mild and breezy. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Largely dry with clear spells to start for Wednesday then blustery showers arriving overnight. Outbreaks of rain for Thursday morning, easing later. Further rain for Friday. Mild and windy throughout.
